

Tenants Networks

September 2019

TPAS Cymru arranges biannual regional network events for tenants who are involved in representative tenant groups such as Tenant Tenants Panels, Forums, Working Groups, Inspection and Scrutiny Groups. The networks provide an opportunity to:

- ✓ Hear up to date news and policy information from TPAS Cymru
- ✓ Discuss issues concerning tenants
- ✓ Share experience and knowledge with others

These networks are free for tenants, however the landlord is charged a nominal fee to cover the costs of refreshments therefore you will need to confirm your booking with your landlord. Due to the popularity of these networks and to ensure a balance of landlords are represented, we have to initially limit the number to **4 tenants** from each landlord.

We look forward to seeing you at one of the following networks:
